Review Budget – Randy McCune, Supervisor

General Fund—Expenses that are higher than FY 2025-26 budgeted income will be covered by the balance of money residing in the current FY2024-25 end-of-year cash account.

Discussion regarding attorney fees budgeted for cases currently in hearings—hopefully completed within this fiscal year but also budgeted accordingly if the cases continue during FY2025-26.

Road Fund-- Expenses that are higher than FY 2025-26 budgeted income will be covered by the balance of money residing in the current FY2024-25 end-of-year cash account.

Fire Fund—Comment on budget for “Equip. Repair. . . “ and “Small Equip. Repair. . .” both being at \$10,000 seemed high. Response was in regard to the laws governing annual testing/repairs/replacement of **many** items—such as fire hoses, breathing apparatus, radios, vehicles & their on-board equipment, etc., etc.

Township Improvement Revolving Fund—No questions

Library Fund—Increased fees are due to increase in millage.

Sewer Funds—Question regarding Trail’s End Sewer “Repairs and Maint. Bldg & Grounds” account having sufficient money in budget to cover repairs to system. It was decided that if unexpected cost of repairs occurs the budget can be increased by the Township Board at that time.
